

Virtual Dermatology Experience at Penn State Health

Please note, this experience has been created for those students who are unable to attend a clinical-elective due to COVID-19 restrictions and are interested in applying to our residency during the upcoming 2020-2021 cycle. This experience is not for academic credit or meant to replace a clinical Dermatology elective.

Course Design:

All sessions will take place virtually (live) via Zoom. You will have the opportunity to attend our daily resident didactics, meet our faculty during their evening roundtables, interact with our current residents during their unknown Kodachrome session, lead your own Journal Club and will have an opportunity to meet with our Program Director and Associate Program Director during their Q&A session.

Requirements:

- Students are expected to attend four evening sessions with our faculty, as noted on the schedule below.
- Lead and discuss Journal Club on Friday from 12-1pm.

Optional:

- Attendance at morning didactics sessions.

Session Dates/Times:

1. August 10-14, 2020, between 7:45am-8:30pm EST.
2. September 14-18, 2020, between 7:45am-8:30pm EST.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|----------|---|----------------------|--------------------------------|---------------------|--------------------------|
| 8-9am | Department Journal Club *starts at 7:45am* | Resident Didactics | Resident Didactics | Resident Didactics | Resident Didactics |
